

Dear Family Ice Center Patrons,

In acknowledgement of the State of Maine's new COVID-19 protocols effective Monday, May 24th, we have made changes to the safety procedures at our facility. We encourage but no longer require patrons that are fully vaccinated to continue wearing masks, while we maintain that masks must be worn at all times for those who are not fully vaccinated. Family Ice Center continues to provide extra seating in congested areas. We also ask patrons to engage in frequent handwashing and sanitizing. Additionally, any individuals with flu-like symptoms consistent with COVID-19 are prohibited from entering the arena. We at Family Ice Center are thankful for our loyal skating community and are committed to ensuring that your experience at the rink is a safe and enjoyable one!

Sincerely,
The Family Ice Staff
